

BRIAN MATHEW

Customer Support Specialist · Client Services · Operations

New Jersey · (609) 815-1685 · mathew.brian@gmail.com · bmath8.vercel.app · github.com/bmath8 · linkedin.com/in/brian-mathew-66235556 · Remote / Hybrid / On-site / Relocation

SUMMARY

Customer support and operations candidate focused on delivering excellent customer service: I resolve issues, communicate calmly, and build the documentation and automation that keep support running. Real customer-facing service experience plus hands-on technical fluency - I document repeatable workflows, troubleshoot systems, and own an issue end to end.

TECHNICAL SKILLS

Customer & Client: Customer service · issue resolution · problem solving · client communication · de-escalation · follow-through · email and chat support

Operations & Documentation: process documentation · repeatable workflows · workflow automation · quality assurance · data entry & validation · scheduling

Tools & Technical: Windows · Microsoft Office · troubleshooting · Python (automation) · Git/GitHub · fast to learn new software

EXPERIENCE

Independent Software Developer / AI Application Developer | New Jersey
Present

2025 -

- **Build and document operations automation** - Brian OS, a system of 25 automated workflows that document, schedule, and monitor daily operations, with health checks and 81 automated tests: real process design, reliability, and documentation discipline.
- **Ran live event operations** for a real-time Super Bowl Squares web app - managed participants, automated updates, and handled issues under time pressure without disruption.

Driver, Independent Contractor | Uber · New Jersey

2022

- Responded to customer needs and resolved issues in real time across high trip volume, independently managing scheduling, navigation, safety, and time-sensitive problem solving.
- De-escalated tense situations and kept clear, professional, calm communication through changing conditions and service problems.

Appliances Department Lead | Best Buy

- Led the appliances department on a high-volume retail sales floor - advised customers through major purchase decisions, resolved complaints and post-sale issues in person, and supported the sales team day to day.

EDUCATION

Penn State Berks - Undergraduate coursework · **The City College of New York - Undergraduate coursework**
